

More Opportunities

- **Connect Your Employees with The Arc:** 10% of people are touched by a disability and a number of your employees may need support for their family member.
- **Corporate Volunteerism:** Engage your staff in team building while benefiting the community. We have many group and/or individual opportunities.
- **Donation Drive:** Host a donation drive for The Arc Thrift Store at your business. Employees and customers can bring in their gently used clothing and household items for a good cause. The Arc will pick up the donations and provide tax receipts.
- **Sponsorship:** Sponsorship opportunities are available throughout the year and allow your business to receive additional recognition and visibility for your charitable commitment.
- **Jeans Day:** The Arc partners with North Dakota Special Olympics to host this event. Each Friday, your staff can pay \$1 for the opportunity to wear jeans to work. The funds raised are divided between the two participating agencies.

What We Do

For over 60 years, The Arc, Upper Valley has been an advocate for people with intellectual and developmental disabilities, preserving and protecting their fundamental rights through advocacy and action in support of legislation at the state and local levels for civil rights, education, employment, health care, housing, and more.

- The dedicated staff members in our advocacy program help individuals and families navigate the system to obtain needed supports and services.
- The professionals who comprise our Behavior Intervention Review and Human Rights committees review programs, services and behavior intervention plans for local service providers to ensure that services are provided in the most appropriate and least restrictive manner.
- We partner with other organizations to promote full community inclusion for children and adults with intellectual/developmental disabilities throughout their lifetimes.

How We Do It

The Arc receives no state or federal funding - we provide these vital services through the support of our members and community partners.

Empower people with intellectual and developmental disabilities to live safe, healthy, productive lives in our community. Become a community partner today.

Partner With Us
