

# IPAT-Interagency Program For Assistive Technology

Helping North Dakotans of any age or disability enjoy life fully.

(IPAT) is a non-profit organization that strives to bring assistive technology into the lives of all North Dakotans that need it. No matter your age, needs, or disability, we are here for you.

Our goal is to help you bridge the gap between ability and disability using assistive technology (AT). We do this through training, public awareness, demonstration, and one-on-one consultation. Our job is to keep up-to-date on the latest advances in the world of AT so that we can help you connect to the AT device or service that is right for you. What do we offer?

- Equipment Demonstration Centers
- Equipment Rental Program
- AT Funding Programs
- Equipment Exchange Program
- Telecommunications Programs
- Device Distribution Program
- AT Consultations

IPAT is the assistive technology leader in the state of North Dakota. It is our mission to make sure that anyone who could benefit from the use of AT can. If you have a need for AT in order to lead a safe and full life at work, school or home, we are your go-to source.
